## **Anejo Gold Decomposed Granite**

**Name:** Anejo Gold Decomposed Granite

**Size Options:** 3/8" minus

**Description:** Anejo Gold D.G., is a crushed rock granite fines material that has an appealing Gold tone color. The strong gold color of Anejo Gold D. G. is an ideal gold color DG material for many landscapes in Central and Southern California since it is quarried in large amounts and has a very affordable price point. A well balance material this product will not track or be muddy when wet.
