

Product Description and Specification

Name:	White Granite Boulders
Origin:	Harvested and shipped from regionally located quarries
Geology:	Granite
Color:	Lightly patterned salt and pepper finish than darker colored granite boulders
Description:	<p>These boulders are harvested and shipped from regionally located quarries. Material is shipped bulk, palletted and specimens on low beds throughout California and other states.</p> <p>White Granite Boulders are have a very lightly patterned salt and pepper finish than darker colored granite boulders. These boulders and cobbles are available as basted irregular granite or river washed smooth surface granite boulders. The boulders come in various shapes and sizes ranging from 18" in diameter to 60" and larger. The White Granite Boulders material is a blends in well with other granite boulders and cobblestones.</p>

Descripción:

Estos cantos rodados se extraen y se envían desde canteras regionales. El material se envía a granel, en palés y en muestras en lechos bajos por toda California y otros estados.

Los cantos rodados de granito blanco tienen un acabado sal y pimienta con un patrón más sutil que los cantos rodados de granito de color más oscuro. Estos cantos rodados y adoquines están disponibles como granito irregular hilvanado o cantos rodados de granito de superficie lisa lavados por el río. Los cantos rodados vienen en diversas formas y tamaños, desde 45 cm de diámetro hasta 152 cm o más. El material de los cantos rodados de granito blanco se integra bien con otros cantos rodados y adoquines de granito.

Size:

Commonly available from 12 inches through 4 feet, specimens through 6 feet.

Transportation:

Large orders shipped in End-dump and Super 10 trucks. Smaller orders shipped on flatbeds
